No, I questioned Al about this and he said he cannot cover both topics in one meeting. You did not get copied on the entire correspondence. That meeting is postponed until.... This Round Mountain meeting is three hours, yep.

For some reason I thought that the Class II-Class I wells were also going to be covered in this meeting as well, but maybe I was making that up.

I scheduled the Webex meeting for an extra hour so we don't get kicked off the system if the meeting runs long. Please forward this to anyone I left off the invite list that you think should attend.

See you tomorrow!
